

# STRATUS

CEILING

## ACOUSTICAL CEILING PANEL

STRATUS panels are a quality (traditional T-bar) acoustical ceiling tile. STRATUS panels are available in any custom size up to 4' X 8' and have 3 unique finish systems to cater to your design needs.

### FEATURES

- Available in 3 different finishes
- 6-7LB Core board
- 3 Different edge details available

### BENEFITS

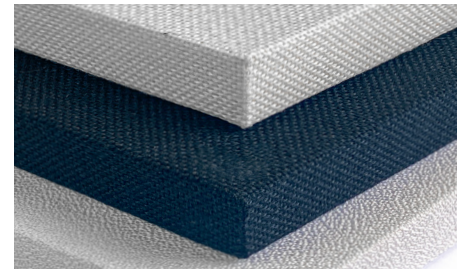

- Caters to your design
- Large format tiles available

### AVAILABLE FINISHES

#### COATED FINISH

Smooth monolithic finish in our standard AURA White or any custom color!

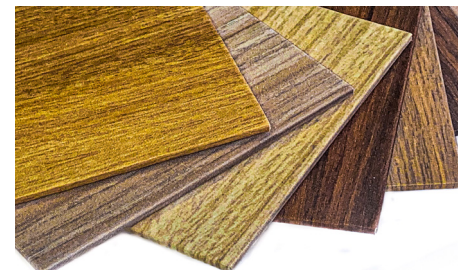

#### FABRIC

Many fabrics, vinyls and felt available from Guilford of Maine, FilzFelt, Knoll, Design Tex, Maharam, Carnegie, Omnova and many more.

### TYPICAL SIZES IMPERIAL

24" X 24" X 1"	609mm X 609mm X 25mm
24" X 48" X 1"	609mm X 1219mm X 25mm
24" X 60" X 1"	609mm X 1524mm X 25mm
24" X 72" X 1"	609mm X 1829mm X 25mm
24" X 96" X 1"	609mm X 2438mm X 25mm
30" X 30" X 1"	762mm X 762mm X 25mm
30" X 60" X 1"	762mm X 1524mm X 25mm
48" X 48" X 1"	1219mm X 1219mm X 25mm
48" X 60" X 1"	1219mm X 1524mm X 25mm
60" X 60" X 1"	1524mm X 1524mm X 25mm

#### FINTO FINISH

High resolution printed wood grain fabric available in many species, and shades.

## GENERAL DATA

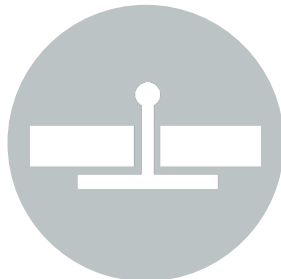

- Noise Reduction Coefficient ( NRC) as per ASTM C 423 Standard
- Fire Performance Class A when tested to ASTM E84
- 90% light reflectance for AURA white when tested to ASTM E 1477 - 98 a ( coated finish )
- Optional vapor barrier or foil back available for back of panel
- Available with both square and tegular edge details

## TECHNICAL DATA

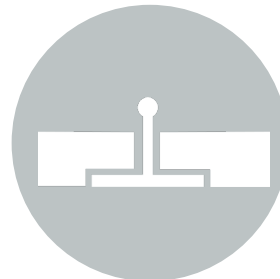

FINISH	THICKNESS	FIRE RATING	NRC	CAC	CORE DENSITY	LEED	WARRANTY
COATED	1" (25mm)	CLASS A	0.90NRC	32 CAC with Foil	6-7 PCF	HPD's, EPD's, EDS,CDPH, Recycled Content	10 YEAR
FABRIC	1" (25mm)	CLASS A	UP TO 0.90NRC	32 CAC with Foil	6-7 PCF	HPD's, EPD's, EDS,CDPH, Recycled Content	2 YEAR
FINTO	1" (25mm)	CLASS A	0.90NRC	N/A	6-7 PCF	HPD's, EPD's, EDS,CDPH, Recycled Content	2 YEAR

Available in 2" or 52mm thickness

## COMPATIBLE WITH BOTH 9/16" AND 15/16" T-BAR GRID

Square Edge

Tegular Edge

## LEED DATA

### MR - Materials and Resources

- 1 Point - Building Product Disclosure and Optimization - EPD
- 1 Point - Building Product Disclosure and Optimization - HPD
- 1 Point - Leadership Extraction Practices - Recycled Content

### IEQ-Indoor Environmental Quality(Prerequisite)

- 1-2 Point - Interior Lighting/Surface Reflectivity (AURA WHITE FINISH) E1477-9
- 1-3 Points - Low Emitting Materials (CDPH) Must use our "G" Series Core
