Fire rating available with added treatment.

### FEATURES

- **Aesthetically Flexible:** Adaptable to various design aesthetics, ensuring a seamless integration into any space.
- **Custom Perforated Patterns:** Tailored to meet your unique design and acoustical needs.
- **Non-Toxic:** Safe for both the environment and occupants, free from harmful substances.
- **Easy Maintenance:** Designed for effortless cleaning and upkeep, ensuring long-term durability.

### AESTHETIC FEATURES

#### TWO TONE

Our two-tone options add both texture and a pop of color to grooved designs across a variety of our PET products. This layered effect not only enhances the visual appeal but also brings added depth to any installation.

#### GROOVING

Grooved patterns can add texture to any Sky Felt surface. Style your design even further with custom grooved patterns , be it linear grooving, custom shapes or art.

#### PERFORATION

Add a Layer of design, by adding Perforated patterns to Sky Felt panels, Choose any or provide a pattern of your choice to be added to the PLANO wall panels.

## COLOR LIBRARY

Our SKY FELT core is a standout choice for those who prioritize sustainability and flexibility in their design projects. Crafted from recycled materials, this core not only supports Eco-friendly initiatives but also offers extensive customization options. It can be grooved, bent, and shaped to meet the most complex design specifications, making it an excellent choice for innovative and Eco-conscious designs
